

Item 4

9-9-11

Froggie Birdfeeder

Birdfeeder stands approximately 10" high and has beautifully painted metal flowers and leaves.

The resin base is approximately 5" in diameter.

The two coordinating frogs compliment this arrangement beautifully.

This would be great next to a pond, poolside, back porch, patio, or even in the garden.

Great as a housewarming gift or splurge on yourself and keep it.

Value: \$30.00
